Draw the Pig Personality Test (ICEBREAKER)

Let’s start out our time together by getting to know each other. This is a “personality assessment,” but it’s just for fun; there is no scientific value to the results.

**Procedure**

- In the empty space below, draw a pig.
- Make it as detailed as you like.
- Look at the analysis on the back.
- Take a few minutes, and share your Pig Analysis with your table.
- Does your Pig Analysis match your personality?
Pig Analysis

If the pig is drawn:

- **Toward the top of the paper** – You have a tendency to be positive and optimistic.
- **Toward the middle** – You have a tendency to be a realist.
- **Toward the bottom** – You have a tendency to be pessimistic and may be prone to behaving negatively.
- **Facing left** – You have a tendency to believe in tradition and be friendly; you may also be prone to remembering dates well.
- **Facing Right** – You have a tendency to be innovative and active, but may be prone to forgetting dates easily and may not have a strong sense of family.
- **Facing front** – You have a tendency to be direct, and may enjoy playing the role of devil’s advocate; you also are prone to neither fearing nor avoiding confrontational discussions.
- **With many details** – You have a tendency to be analytical, but may also be prone to being cautious to the point that you struggle with trust.
- **With few details** – You have a tendency to be emotional and to focus on the larger picture rather than focusing on details. You also have a tendency to be a great risk taker and may sometimes be prone to reckless and impulsive decisions.
- **With less than 4 legs showing** – May indicate that you are living through a major period of change and as a result you may be prone to struggling with insecurities.
- **With 4 legs showing** – You have a tendency to be secure and to stick to your ideals; however, others may describe you as stubborn.
- **With large ears** – Indicates how good of a listener you are (the bigger, the better).
- **With a long tail** – Indicates how intelligent you are (the longer, the better)
